**Fund for Critically Injured Rugby Player**

On Feb 27<sup>th</sup> our good friend and Albany Knicks Rugby teammate Michael Jones (Jonesy) was critically injured while playing in a tournament in Ft. Lauderdale Fla. At present Mike is paralyzed from the neck down. Currently no long term prognosis can be predicted but the medical care required to give Mike and his family the best possible life ahead will be prohibitively expensive.

The challenges facing Mike and his family are tremendous. A Supplemental Needs Trust has been established to help his family face the immediate mounting medical bills as well as the lifelong medical and financial burdens paralysis injuries create. **Please help Mike and his family.**
